

# RAK ACADEMIES

Ras Al Khaimah, UAE

## Summary

Ras Al Khaimah Academies is one of the oldest and most prestigious international education groups in the UAE. The group comprises the following schools:

- PYP & BC School
- IB School
- Al Hamra School
- Al Rams School

## Project Details

- Annual Energy Savings: 33%
- Payback Year: 3 Years

## Solution

RAK Academies, under the guidance of Reem, the energy efficiency and renewable office of RAK Municipality, engaged ENGIE Solutions to identify and implement energy savings solutions at the 4 schools of RAK Academies. The project comprised full retrofit of the facilities, including the replacement of some of the chillers, HVAC controls, hot water system replacement, water savers, etc.

As part of the guaranteed savings contract, ENGIE Solutions will operate and maintain all the installed solutions and will measure and verify the savings over a period of 5 years.
